University of California, Davis representative
- 10:45 Overview of the Workshop: Objectives/process/schedule
Dr. Paul Marcotte, University of California, Davis—Workshop Facilitator
- 11:15 Establishment of Regional Groups: Beginning of Regional, Country and Thematic Presentations (tentatively four groups): 1. Francophone/West; 2. Eastern and Southern; 3. Central; 4. Saharan/Sub-Saharan. *Each group will have roles established, i.e. Chair, Rapporteur, and a Facilitator will assist each group to stay on track and accomplish their tasks.*
- 12:15 Working Lunch: Participants remain in Regional Groups to begin identification of overarching issues and opportunities in horticulture
- 2:00 Groups Reconvene: Continue presentation and discussions: Identify Issues and

clusters of opportunities leading to the establishment of 'rich hypotheses'

4:00 Plenary: Presentation from each of the 4 regional groups

Evening Finalization of issues and opportunities by regions

Tuesday, 15 February

- 8:15 Priority Setting Exercise:
--Criteria: Groups will discuss their criteria for prioritizing projects such as time, cost, impact, benefit, etc.
--Selection of 10 projects: groups will select their top 10 projects based on the above criteria
- 12:00 Lunch
- 1:00 Revisit Priority Criteria: Each group will revisit their criteria discussion in light of their issues/opportunities to assure that the selected projects are representative of the regional needs.
- 2:00 ZOPP/Logical Framework: Complete Logframe exercise for 10 projects based on surveys, discussions and presentations, and the priority setting process.
- 5:00 Break for Dinner
- 6:30 Dinner (catered by the project)

Wednesday, 16 February

- 8:15 Plenary Presentations: Each Group has ½ hour to present and 15 minutes to discuss their Final Issues/Opportunities, Selection Criteria, and a List of their projects. An example of a logframe may be presented if there is sufficient time.
- 12:00 Lunch
- 1:00 Summary/Conclusion
Dr. Thomas Lumpkin, Regional Group Leaders/Rapporteurs
- 2:00 Closing Remarks
- 3:00 Field Trip: Tour of local horticulture farms/industry
